Apt. 6.

Dear Sir:

I am in receipt of your letter of July 23rd. In it you asked to let you use the bus of the Base Ball team to transport your Group on a picnic on Thursday, August 7th. You do not say where the picnic will be held.

I would like to know how long a trip we will have to make. I am writing to the Department of Motor Vehicles in Trenton, N. J. today, asking their permission to use the bus this day to transport your Group. When they issued our license, they are very firm in ordering no one must be transported but baseball players, however, I feel quite sure they will make an exception in this case.

As soon as I hear from them, I will let you know.

Very truly yours,
